Dear Mr. Collins:

On February 25, 1998, you proposed to modify the project description and statement of work for Project G.1 Changes in Crash-Involvement Rates as Drivers Age under the settlement agreement.

You indicate, in your letter, that less than 1 percent of the Year 2 budget for this project was expended in Year 2, and you request that the project description and statement of work be modified to extend those documents from Year 2 to Years 2-3. No other changes are proposed.

NHTSA concurs with this modification. Materials relating to the settlement agreement are now being placed in the Department of Transportation Dockets, NHTSA-98-3585. Your submission will be placed in that docket.

Thank you for your cooperation. If you have any questions or need assistance, please feel free to call Ms. Heidi L. Coleman, Assistant Chief Counsel for General Law, at (202) 366-1834. If you or members of GM's technical staff have questions of a technical nature, please have them contact Dr. Jesse Blatt at (202) 366-5588.

Sincerely,

Philip-R. Recht
